Yes, please use my Email to send me occasional newsletters and updates about the golf course

SEASON PASSES ARE NON-TRANSFERABLE AND MAY BE USED ONLY BY THE REGISTERED PASS HOLDER. Your personal information will be used for Cottonwood Coulee Golf Course purposes only (Leagues, Handicapping, Tee Time info). Cottonwood Coulee Golf Course will not be held accountable for any injury caused while on our property or damage/theft to personally owned carts and equipment.

Sold By: _____

2021 Membership/Game Pass Policy

Thank you for your consideration of purchasing a membership or game pass from Cottonwood Coulee Golf Course. Our goal is to provide the best golf value and a relaxing atmosphere at Cottonwood Coulee. Please take a moment to review and sign our revised policies.

Membership/Game Pass Refund and Upgrade Policy

Memberships and game passes are **non-refundable items** at the time of purchase. Please consider your options before making your purchase and choose accordingly. There are several different benefits of purchasing a game pass or a membership, it is your responsibility to ensure you know the differences.

Members who purchase a Weekday Membership would be able to pay the difference to upgrade to a Full Week Membership at any point during the season. The full amount between the Weekday and Full Membership would be charged (not a prorated amount). Game passes can be upgraded to a membership only if they are unused and before May 1st.

Game Pass Expiration and Credits

Game Passes expire exactly 1 year from the date of purchase. No exceptions for any reason will be considered. Once a game pass has expired, a credit will be issued for the remaining value of any unused games. For example, if a 10-round pass is purchased for \$200 and it expires with 2 unused games, a credit of \$40 would be offered ($\$200 \div 10 \text{ rounds} = \20 per game). This credit can be used towards the purchase of another game pass or membership only.

Membership Medical Deferral Policy

If at any point before or during a golf season that prevents a member from playing golf for a time of 1 month or more a medical deferral credit can be issued. The credit would be a pro-rated amount based on the amount of time missed due to the medical condition.

To receive this credit, a member must complete the request form available from the Pro Shop or Manager's office and submit it to the General Manager. The golf course reserves the right to request a letter from a medical professional stating the injury and how long the recovery time would be.

This credit must be used towards the purchase of a Membership, Game Pass or Cart Lease only. It may be transferred to an immediate family member only.

Covid-19 Policy

We are aware that covid-19 will most likely continue to be a concern going into the 2021 season.

If the golf course is unable to open due to government restrictions between May 3, 2021 and Oct 18, 2021 a credit will be issued based on the number of weeks missed. There are 24 weeks in this period and the credits will be calculated on a weekly basis. For example, if we are unable to open until May 24, 2021, we would have missed 3 of the 24 weeks. A credit of 12.5% of your total purchase would be issued towards the purchase of the following years Membership or Cart lease. A Game Pass's expiration date would be extended by the same amount of time.

Covid-19 Single Cart Rider Policy

If the government requires individuals to ride on separate carts due to covid-19, the extra carts will be provided free of charge. If single riders on carts is not mandated by the government, there will be an additional charge of \$8 per person for those who choose to ride alone on a cart. This fee will be applied to cart lease holders and public players. The additional fee will help offset the extra costs associated with golfers using individual carts.

I have read and understand the above policies and accept all conditions of purchasing a Membership or Game Pass from Cottonwood Coulee Golf Course
